

# The SuctionBlu<sup>TM\*</sup> Mat

Combining Anti-fatigue Properties  
With Suction Capability

The SuctionBlu disposable surgical mat combines the absorbency of the poly-backed Dri-Safe<sup>®\*</sup> pad and the nonslip, anti-fatigue memory foam construction of The EcoSuctioner<sup>®</sup> mat with powerful, quiet, continuous suction capability. These features add up to ensure a drier, safer, and cleaner operating room.

The graduated slots on The SuctionBlu mat use gravity to direct fluids towards the suction tube. The SuctionBlu mat easily attaches to any operating room vacuum source in seconds and efficiently manages unwanted fluids, keeping them off of the OR floor.

Product Description	Item Number
The SuctionBlu surgical mat, 36 in × 56 in, blue	USA-XBL

The SuctionBlu mat is a smaller, more economical version of The EcoSuctioner mat, but it is larger than The Suctioner<sup>®</sup> mat. The chart below compares the 3 suction mats by size and weight.

Part #	Description	Size of Surgical Mat	Total Size With Dri-Safe Pad	Weight
USA-XBL	The SuctionBlu mat	25 in × 37.5 in	36 in × 56 in	1 lb 6 oz
USA-XG8	The EcoSuctioner mat	28 in × 40 in	36 in × 56 in	1 lb 10 oz
USA-X10	The Suctioner mat	22 in × 35 in	36 in × 56 in	4 lb 12 oz
